About Samaritan's Purse

Samaritan's Purse is a nondenominational evangelical Christian organisation providing spiritual and physical aid to hurting people around the world. Since 1970, Samaritan's Purse has helped meet needs of people who are victims of war, poverty, natural disasters, disease, and famine with the purpose of sharing God's love through His Son, Jesus Christ. Emergency relief meets desperate needs of victims worldwide. World Medical Mission sends doctors, equipment, and supplies to underprivileged countries. Community development and vocational programs in impoverished villages and neighbourhoods help people break the cycle of poverty and give them hope for a better tomorrow. Vulnerable children are rescued, educated, fed, clothed, and sheltered, letting them know that God loves them, Jesus died and rose again for them, and they are not forgotten.

Op Christma Ch

Since 1993, the world's largest project of its kind, has collected and delivered more than 198 million shoebox gifts to very poor children in more than 170 countries and territories.
